STRENGTH IN DEPTH

Maincolour is a complete print solutions company offering a full portfolio of print related services including: litho print, digital print, web-to-print (for online ordering), a comprehensive direct mail service and environmental advice & support to clients throughout the UK.

The management has over 100 years collective experience in the print industry and in 2008 achieved FSC and PEFC certification.

Our client focused approach ensures that every customer receives the very best attention to detail through a dedicated account management team.

With comprehensive pre-press capabilities, a full digital workflow system including CTP, colour litho presses printing up to B1 and up to 6 colours, Xerox digital print technology, web-to-print, and a complete range of print-finishing equipment, the company delivers a professional print experience to every client.

Artwork > Repro > Print > Finishing > Delivery

Account Management

Our approach demonstrates a commitment to offering cost-effective solutions without compromise on quality and a responsible approach to the environment, helping clients to increase revenue and gain a competitive advantage.

Maincolour has an expanding portfolio of clients throughout the UK, including blue-chip companies as well as local authorities and highly respected advertising agencies.

Want more?

There may be times when your business needs something out of the ordinary. After all, marketing covers so many different mediums – outdoor, point of sale, advertising – the list is almost endless. This is when your preferred partner should come into their own. Maincolour can provide advice and a consultancy service for all your needs.

Using supplier relationships that we have developed over many years, we will propose the best solution to suit your specific requirements, helping you to focus on the success of the campaign itself.
